

## Trent Leach

Trenton is an Alberta artist that creates public and private commissions and does metal sculpture restoration for the City of Red Deer.

His passion for metal has led him to work with combinations of metal and glass, glass marbles and public metal sculpture. His inspiration for ideas often comes from nature, travel, and musicians and he is often striving to conquer the most difficult idea he can manifest.

He has been a member and exhibited for many years with the “Night of Artists”. In addition, Jazz at the Lake, Lieutenant Governor General’s Awards and several other events and galleries in Alberta.

He designs and creates his work in the Rogue Studios for Rogue Art and Design with his partner in Red Deer. He has actively been an artist for over 18 years.
