

Trent Leach

Trenton is a Central Alberta Artist that creates public and private sculptures using stained glass and metal. He teaches stained glass in his Glass Studio in the Lacombe Performing Arts Centre. In addition, he instructs metal sculpture & glass at the summer art “Series” program at Red Deer Polytechnic. Trenton’s inspiration for ideas often comes from nature, travel, painters, and musicians. He has actively been an artist for over 24 years and works in his shop & glass studio (Rogue Art and Design) in Lacombe, Alberta.
