Bring a small travel-friendly kit of the art materials that you like to use to make illustrations, whether that's colored pencils or watercolours or gouache or acrylic paints or something else. If you like to make art on an ipad or tablet, or in Photoshop or Illustrator, that's fine. Oil paint, which dries slowly, might be inconvenient for this weeklong class. Note: You'll likely spend most of the week sketching, but if there's time, you might work on a piece of final art.
